Scholarship Advertisement – Credit-Seeking (Short Term) Academic Mobility

Intra-Africa Academic mobility Project: Partnership for Training Scientist in Crop Improvement for Food Security in Africa (SCIFSA)

What is the program about?

The EU under its Intra-Africa Academic Mobility Scheme, has provided funding to support training of graduate students in African universities. In this academic mobility programme five African partner institutions and one EU partner will collaborate in the training of professionals in crop science to achieve effective food security in Africa that shall lead to increased food production and enhanced food and nutritional security, and hence, improved livelihood and household revenue. A total of 24 Masters (6 credit seeking, 18 degree-seeking) and 12 Doctorates (4 credit seeking, 8 degree-seeking) scholarships will be offered in the thematic areas of Plant breeding, Biotechnology, Seed science and technology, Agronomy, Vegetable crop production, Pesticides and plant protection. The project started in November 2017 and will run until 31st October 2022. **During the first call for scholarships (February 2018), 24 (15 MSc and 9 PhD) degree seeking scholarships were offered.** Ten (10) short term credit seeking mobility (6 MSc and 4 PhD) are still available. The credit seeking mobility will be hosted at any of the five partner universities (see the table below). For credit seeking mobility the scholar will be spend between 6 and 12 months in the host institution.

The Call for applications is open from **16th March 2020** and will close on **30th April 2020**. The application for scholarship should be sent to the project coordinating office (mobilityscifsa@gmail.com and ruthiemutyaba@gmail.com) with copy to the coordinator at the sending institution for Target group 1 (see the list below). To apply, download application form from the project website (<http://www.SCIFSA.org>), fill and send to the e-mails above.

The scholarships are open to candidates from Target group 1 (Egypt, Ghana, Kenya, Senegal and Uganda) and Target group 2 (Democratic Republic of Congo, Liberia, Sudan and Tunisia). Please note that candidates will only be allowed to apply to institution outside of their home countries. Female and candidates with disabilities are particularly encouraged to apply.

Specific programmes on offer:

Host institution	Programme	Number of fellowships	Language of instruction	Website	Contact person
Makerere University	PhD Programme in Plant Breeding and Biotechnology	1	English	www.mak.ac.ug	thomas.l.odong@gmail.com
	MSc in Plant breeding and Seed Systems	2			
University of Ghana Legon	PhD in Plant Breeding	2	English	www.wacci.edu.gh www.ug.edu.gh	adanquah@wacci.edu.gh
	MSc Crop Science (Plant breeding option)				
University of Cairo	MSc in Agronomy or MSc in Vegetable crops	1	English		darwishesaleh@agr.cu.edu.eg
University of Eldoret	PhD in Seed Science	1	English	www.uoeld.ac.ke	juliusochuodho@gmail.com
	MSc in Seed Science and Technology	1			
UniversiteC heikhAuta Diop de Dakar	MSc in Pesticides and Plant Protection	1	English/French	www.ucad.sn	Prof Kandioura NOBA kandioura.noba@ucad.edu.sn
UniversiteC heikhAuta Diop de Dakar	MSc in Plant and Microbial Technology	1	English/French	www.ucad.sn	Prof Kandioura NOBA kandioura.noba@ucad.edu.sn
